

“Scarlett”O’Hara

Today Rhett Butler, our handsome and dashing rooster lost his precious wife Scarlett.
His loud cries can be heard from far away as he laments his lady love.

We too are reeling in sadness and shock
at the sudden departure of one so loved and vibrant.

In truth?

Scarlett had not been well lately and had lost some of her glamour,
but we did not realize she might leave.

Today the BrightHaven chicken coup seems empty
as Scarlett begins her journey to meet her departed Sister Melanie,
who we are sure will be there to guide her path to the stars.

Those who do not know how to weep with their whole heart don't know how to laugh either.
